

CS 491L Progress Report 2 (02/19/2023)

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.

Team/Project Name: Domino Squad, Project Domino (Code Name)

Team Member #1: Avik Shenoy (Team Leader)

What I did since last progress report:

I have been hard at work on creating new character models for the game, such as the player models, enemy models, and NPC models.

Anything holding me up on my last progress report's expected activities:

Nothing is holding me up.

What I plan to do before the next progress report:

I plan to finish up the character models and go back to programming the game.

Team Member #2: Thanh Tran

What I did since last progress report:

Since my last progress report, I've tried looking into ways to implement some more functionalities into the inventory system, such as keyboard hotkeys, or more elements / illustrations into the inventory.

Anything holding me up on my last progress report's expected activities:

Some of my other classes were picking up the last 2 weeks so I had to manage them.

What I plan to do before the next progress report:

Since I haven't done so, I plan on implementing these new features or possibly finishing my plan for the inventory system.

Team Member #3: Amir Roochi

What I did since last progress report:

Since my last report I reviewed the code and documents from 490.

Anything holding me up on my last progress report's expected activities:

No

What I plan to do before the next progress report:

I am planning to work on the game inventory system.

Team Member #4: Brendan Beagin

What I did since last progress report:

- Since the last progress report, I worked on new gameplay systems.

Anything holding me up on my last progress report's expected activities:

- The limiting factor halting progress is still time.

What I plan to do before the next progress report:

- Before the next progress report, I plan to work on new gameplay systems in the game, such as a fixed camera angle perspective

Team Member #5: Daniel Sarkisian

What I did since last progress report: I worked on new enemy AI systems.

Anything holding me up on my last progress report's expected activities:

No.

What I plan to do before the next progress report:

I plan to further improve the AI in the game.
