

CS 491L Progress Report 6 (04/30/2023)

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.

Team/Project Name: Domino Squad, Project Domino (Code Name)

Team Member #1: Avik Shenoy (Team Leader)

What I did since last progress report:

The game is almost done. I just need to add a few last minute features and polish it up.

Link to GitHub repo: https://github.com/avikshenoy/Edmund_And_Eliza

It does not have all those required folders the professor wanted yet but it will have those in the future.

Anything holding me up on my last progress report's expected activities:

Nothing is holding me up.

What I plan to do before the next progress report:

The last things to take care of are:

- Cutscenes
- NPCs
- Difficulty Selection

I also will work on the presentation.

Here are some in-game screenshots of the main characters:

Team Member #2: Thanh Tran

What I did since last progress report:

Since my last progress report, I have connected to the project's github repo. Aside from that, I've also started work on the software test report.

Anything holding me up on my last progress report's expected activities:

Nothing

What I plan to do before the next progress report:

I plan on starting work on the presentation slides as well as finishing up the remaining documents with my group.

Team Member #3: Amir Roochi

What I did since last progress report:

Since my last progress report I was busy with other projects that I am currently working on.

Anything holding me up on my last progress report's expected activities:

No

What I plan to do before the next progress report:

I am planning to meet with team members, and spend more time on this project.

Team Member #4: Brendan Beagin

What I did since last progress report:

- I haven't been able to work on the project since the last report.

Anything holding me up on my last progress report's expected activities:

- The limiting factor halting progress is still time.

What I plan to do before the next progress report:

- Before the next progress report, I plan to help the team with the software test report.

Team Member #5: Daniel Sarkisian

What I did since last progress report: I worked on new components for the characters.

Anything holding me up on my last progress report's expected activities:
No.

What I plan to do before the next progress report:
I plan to further improve the AI in the game.
