CS 490/491L Progress Report 5 (12/11/2022)

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: Domino Squad, Project Domino (Code Name)

Team Member #1: Avik Shenoy (Team Leader)

What I did since last progress report:

> Since the last progress report, I showcased a demo of our project to the professor. He seemed pleased with our work on the game so far. I have also been finishing up the STP. In addition we're working on our final presentation and preparing our slides, video, and live demo.

Anything holding me up on my last progress report's expected activities:

> Nothing is holding me up.

What I plan to do before the next progress report:

> I plan to finish up the STP and continue working on the final presentation.

Team Member #2: Thanh Tran

What I did since last progress report:
Since my last report, I've imported all the necessary assets for our demo. Aside from that, I fixed a quick bug regarding the inventory system.

Anything holding me up on my last progress report's expected activities:
Nothing

What I plan to do before the next progress report:
I plan on wrapping up the semester by working on the presentation and the rest of the deliverables.

Team Member #3: Amir Roochi

What I did since last progress report:
- Since my last progress report I pair coded with Tran, to add more functionality to inventory and health system, new implementation allows the player to pick up specific items and save them to inventory and later use them to increase health percentage.

Anything holding me up on my last progress report's expected activities:
Nothing holding me up for now.

What I plan to do before the next progress report:
- I am planning to spend some time working on the final presentation document, and also work on peer review artifact.

Team Member #4: Brendan Beagin

What I did since last progress report:
- Since the last progress report, I helped revise the SDD after submitting the rough draft. I also worked on the Software Test Plan document with my group.

Anything holding me up on my last progress report's expected activities:
- The limiting factor halting progress is still time.

What I plan to do before the next progress report:
- Before the next progress report, I plan to have finished the project presentation.

Team Member #5: Daniel Sarkisian

What I did since last progress report: I worked to peer review my partner's code and give them advice on what to change. I also worked on the SDD.
Anything holding me up on my last progress report's expected activities:

No.

What I plan to do before the next progress report:
I plan to make the changes my partners advised on the code review.
